Diamant Sabatier: a sharp eye for top class

Diamond Sabatier delivers top-class products and has been known as quality brand for almost 40 years. The knives have been the most widely used knives in the catering industry and education sectors for years. You can see the quality but you can feel it the more. Diamond Sabatier is very high quality standards and lifetime warranty on all material and manufacturing errors.

Sabatier RIYOURI Series: Seamless Perfection in Technique and Design

The Diamond Sabatier RIYOURI cooking knives have been designed with a touch of oriental cuisine. The beautiful quality knives from the RIYOURI series are made of high quality stainless steel and are characterized by robust adhesives with special anti-slip structure. The knives are therefore stuck in the hand and remain beautiful for a long time. The blades are very sharp and stainless. Heft and blade are welded to one piece and seamlessly seal each other, ensuring extra hygiene.

PowerCharger: Never run out of energy!

Can your smartphone or tablet use some extra energy but there is no outlet available? With an external battery in your pocket you will never be faced with unpleasant surprises. Just plug it in and you can still use your device carefree. Useful during a holiday, business trip, festival or day out. Also suitable for charging your digital camera, music player, GPS or e-reader.

Our PowerChargers comply with the European Directives and are supplied with USB/micro-USB charging cable, A-quality lithium battery and instructions in more languages.

Which capacity works best with your device?

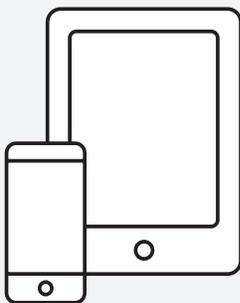

What is mAh?

- mAh stands for 'milliamp-hour'
- It is a measure of a battery's energy storage capacity
- The higher the mAh the more electrical energy it can store.
